Confidential Prayer

Please email prayer requests to flannanisle417@gmail.com and John Kirk, one of our church members, will be happy to pray for you

Creation Care Corner

The United Nations Global Diversity Conference: COP 16, began on 21 October in Columbia and runs until 1 November. We therefore ask you to prayerfully consider the global wonders of creation such as, rainforests, the coral reefs, polar ice caps, and closer to home, peat bogs. Please pray for COP 16 delegates as they gather to discuss the pathway to the ambitious goal to protect 30% of land and sea for nature by 2030 and for individual nations to faithfully implement what is mutually agreed.

Christmas Unwrapped

During the 1st week of December we are hoping to share the message of Christmas with over 250 local school children using story, activity and craft. If you'd like to help, or to find out more contact Joel Mercer or Elaine Beard.

Walking Group

The church walking group next meets on 30th November – if anyone would like to come along they are welcome. The time and starting place to be confirmed. We have a what's app group which also allows us to share location when walking and enables anyone who wishes to come for a shorter time when our walks are more local. For more information contact Tony Ruddle.

Unwrapping your gifts

Alongside our teaching series on Spiritual gifts we are delighted to be able to offer this booklet which will help you discover your God given gifts and provide some ideas for how you might use them in his service. Pick up a booklet from the church building this week.
