Unwrapping Your Spiritual Gifts

Last year many of us completed a God Given booklet which help us to discover the gifts that we have and begin to think about how we can use them to serve God and his church. There are all sorts of opportunities for us to use and grow our gifts in the life of our church, some of these can be found on our volunteer vacancy board.

If you would like to further explore your gifts please contact Joel or a member of the Leadership Team to further chat them through.

If you didn't get the chance to work through a God given booklet and would to do so there are still some available in our church buildings.
