In August our Creation Care Team encouraged us to share images of the world that God has given us Jenny shared the image below with this explanation:

*This beautiful red squirrel reminds me of the wonderful intricacies of God's creation; the thought and care in His design of every creature. Its vulnerability also raises my awareness that we need to steward God's earth well, to protect all His creatures.*

# OPPORTUNITIES TO SERVE

Being part of God's family means serving one another and here at Whitley Bay Baptist Church we believe that everyone has a role to play in the life of our church.

Here are some particular areas of church life where we currently need some help:

## Mission Advocates

- Keeping us up to date and providing a link with a mission organisation
- For BMS, Youth for Christ, Home Mission, Mission Africa

## Stocking the Kitchen

- Buying milk for church each week
- Keeping an eye on stocks of tea, coffee, etc.

## Administrative tasks

- We have a number of church admin tasks, including producing the church newsletter which could be done by one or more people.

## Could this be you?

- For more information talk to a member of the Church Leadership Team
