Church Leadership Team Updates

Going forward we'll share some updates from the CLT here each month. It may be some of the things we have been discussing, things we have done or decisions we have made. The aim is to keep our church family informed and help you to pray for us.

In our meetings last month we started talking about next year's budget, feedback from the week of prayer and what we might focus on together on Sunday mornings in the new year. We also began making plans for discipleship courses which will run next year. If there is something you'd love us to do a course on come and speak to one of us in the next few weeks. We spent one Saturday morning worshipping together and reflecting on what we can learn from Moses' as a leader. This month we meet on 5th and 19th please pray for us as we seek to finalise both the budget and the job advert for our Emerging Generations Team Leader.

Church Walk:

Our next walk is on November 7th. Our next walk will be on the 7th November meeting at 10 am at The Angel of the North parking area. At the end of the circular walk, 4.31 miles, It is planned that we have lunch together at a nearby hostelry. We will order on arrival. This is the last walk of 2026. Do let Tony Ruddle know if you plan to come.
